Education	Majoring Artificial Intelligence at Dong-A University (DAU)
Ongoing Work	*Studying GNN(Graph Neural Networks)*
Workshops, Presentations	*The 4th Knowledge-aware and Conversational Recommender Systems (KaRS) Workshop in Singapore from Sept. 18 - 22, 2023 Title: CONREC Continuous Recommendation of Online Learning*
Research Experience	*DAU Data Science Labs – Undergraduate Research Intern Conducting and assisting research with Prof. Jungkyu Han and Prof. Sejin Chun*
Industry Experience	*doesn't exist*
Teaching experience	*doesn't exist*
Awards	*Devday hosted by Dong-A University Department of Computer AI Engineering - Encouragement Award in development track Aug 25, 2023 Title: CONREC Continuous Recommendation of Online Learning*
Major Skills	*Programming: Python, Java, C, C++* *Data skill: Numpy/Pandas/Matplotlib/Mysql/Neo4j/Recommendation System* *Plat- forms: Linux, Git, Docker*
References	*Prof. Jungkyu Han Professor at DAU, Dept. of Computer Science and Artificial Intelligence, Email: jkhan@dau.ac.kr* *Prof. Sejin Chun Professor at DAU, Dept. of Computer Science and Artificial Intelligence, Email: sjchun@dau.ac.kr*
